SYNDICATE

SYNDICATE

After nearly 30 years in prison, ex-con Patrick O'Malley is released and reluctantly agrees to help the FBI take down a powerful crime syndicate led by his former partner, Aiden O'Daniel. Teaming up with FBI Agent Felix Miller, the two men must navigate a deadly high-stakes poker game where the top crime bosses from around the world have gathered, all while trying to protect Patrick's family who have been taken hostage. As the operation spirals out of control, Patrick and Felix must put aside their past differences and work together to bring down the syndicate once and for all before it's too late.

FAIRYLAND

Following the sudden and tragic death of her mother, young Alysia and her father Steve move to 1970s San Francisco. As Steve develops his poetic and personal writing and begins to openly date men, his bohemian lifestyle clashes with the expectations of parenthood from both the outside world and Alysia herself. And while Alysia grows into a young woman on the cusp of adulthood, their bonds and duty to each other are tested in painful and sudden ways.
