THREESOME

A STORY OF LOVE, INSECURITY, HEARTBREAK, LUST AND JEALOUSY, THREESOME IS A CRITICAL AND COMMERCIAL HIT, SOLD TO A RAFT OF INTERNATIONAL BROADCASTERS INCLUDING CHANNEL 4 IN THE UK AS THE CHANNEL'S FIRST EVER SWEDISH LANGUAGE ACQUISITION. A HIGHLY ANTICIPATED SECOND SEASON IS CURRENTLY IN DEVELOPMENT.

David and Siri are a young Swedish couple living in London. They have been together since the last year of high school and convinced of the strength of their love, have defied the norm and settled down together early.

Their love is self-evident, strong and unbeatable. But during a drunken night out they meet Camille, a French art student, and at an after party a flirtatious game occurs where the boundaries gradually dissolve. Giving in to unusual impulse, and drunken curiosity, they have a threesome.

In the moment it feels exciting and completely unproblematic. But afterwards, the incident tears at Siri. A feeling that she and David have been irrevocably careless, and neglected something fundamental, takes over. Their relationship starts to show cracks, though both David and Siri do their utmost to keep it intact. Normalise. But the foundations are already rocked and Siri begins to question both their love and their choices in life.

When Siri meets John, who, like her, stands at an existential crossing, she feels an immediate connection. John is part of the ballet ensemble at the Royal Opera House, but is in rehab after an ankle injury. His entire life has been dedicated to dance, but now he does not know if he will ever be able to perform on a professional level again. Siri sees a strong reflection of herself in John. A reflection that soon grows into a physical attraction, impossible to resist. Siri is drawn ever further into John's world, away from David and the life she has so far known as her own.
