

# KRYPTO KINGS

## INTRODUCTION

Lars and Asim are two nerdy, shy, small town boys. Lars is whimsical and impulsive without any particular plans for life, while Asim is an entrepreneurial type with big dreams. A few years ago, aged 16, they put some of their savings into crypto. When they check in on their investment 6 years down the line, they discover that they are millionaires. Can two friends handle being billionaires without losing themselves or each other?

## LARS

Lars, at 22, hasn't found any direction in his life, and when they become wealthy he is relieved that he no longer needs a direction. Or so he thinks. He is unconcerned, cheerful and impulsive, and terrified of being stuck in a boring life. He truly believes that money will make him happy and tries every measure in accomplishing just that.

## ASIM

Asim is Lars' childhood friend, but in contrast he has always been ambitious and forwardleaning. His dream is to be an entrepreneur and give the world small and big technologicalimprovements. His ego is bigger than his body and he struggles with being taken seriously. He hates irresponsibility and Lars' recklessness threatens to drive them apart. But perhaps Asim needs to learn to let go a bit.

## BIRGER

Birger is Lars' big brother, a role he thrives in. He believes that his breakthrough as a DJ is right around the corner, and in order to keep his self esteem up his blind spots grow bigger and bigger. It's not easy having a little brother who suddenly is wealthy, so he must assert himself with his strength - Birger is the one who brings the party.

## CARL

Carl works as a fashion model and has an immaculate aesthetic sense. He has always struggled with his looks - he is so good looking that no one ever takes him seriously. The prejudice is hard to deal with. He tries to compensate by being intellectual, but he is so far into his own head that his logic is rarely understood. He wants to do good for the world and gets easily fixated on the next big thing.

## EPISODE 3 HIGH-CLASS PROBLEMS ARE STILL PROBLEMS

Lars and Asim disagree on whether to choose the Basic-plan or the Legendary-plan for their house warming party. When Asim hears that Mira from business school is coming he agrees to go with Legendary. Birger tries all tactics to get to DJ at the party and he befriends a kid next door. Will Mikkell, the fierce bully from elementary school, come to the party?

## EPISODE 4 MONEY TALKS

With 80 people now joining their trip - they're gonna need a bigger yacht. Asim is accepted into a chat group for billionaires and takes the others on a club lunch to front TUT. Birger saves his appetite for rich-people-food and Lars tries to find an appropriate reply to the message from his old-time crush Simone.

## EPISODE 5 PUSSY VALLEY

Lars starts to sleep with Simone and wants to surprise her on her birthday. Asim can't deal with the pressure of travel planning. They decide that it will only be the four of them on the trip, but that means that they have to deal with all the people they invited.

## EPISODE 6 MIKKEL FROM ELEMENTARY SCHOOL

Lars is feeling down after the revelation that Simone is married. He goes back to Kolbotn and mom's pizza, but there he meets Mikkell. Asim tries to make Lars happy again by getting Survivor-celebrity Christer Falck to meet them on Survivor Island. Birger and Carl get a visit from Jehovah's Witnesses.

## SEASON 2

As the boys return from their round-the-world trip they realise that they have spent a lot of money on themselves. It's time to give back and do something good for the community. They decide to restore the old Aqua Park to new heights, with hopes that this might also reward them with a statue or something. But there are conflicting interests in the local politics, and they have to make sure the water is clean and no one falls out of the slides.

A promotional image for the TV series 'Krypto Kings'. It shows two men floating in a large, circular, blue-lit water tank. The man on the left is older, with a beard and mustache, wearing dark swim trunks. The man on the right is younger, clean-shaven, also wearing dark swim trunks. They are both looking upwards. The water has a textured, rippled surface. The overall color scheme is a deep blue.
