APPLE CADABRA - I SHRUNK MYSELF

Animation | Family Entertainment | Germany | 82 min | 2029

A little witch living in an apple, a magical garden - and two children who discover its giant world when they shrink.

After leaving their city life behind for an old mill in the countryside, twins Leah and Louis stumble into the magical world of the little apple witch Petronella and find themselves magically shrunk, opening the door to a wondrous miniature world. Surrounded by extraordinary creatures, unexpected dangers and new friendships, they discover that home can be found in the most unexpected places.

At the edge of the forest lies an old mill and a wild, magical garden. Hidden among the branches lives Petronella, a spirited apple witch who protects her world with her stag beetle friend Lucius and three chaotic Apple Folk. Her one rule: humans must stay away. But when the Branwick Family moves into the mill, twins Leah and Louis discover Petronella's secret garden. After being magically shrunk, a wondrous world beyond anything they could have imagined is revealed. When the forest troll Thornbush kidnaps the Apple Folk, Petronella, Leah, Louis and Lucius join forces to rescue them. Along the way, they face the raven witch Hexandra Thistlecrow, discover unexpected courage, and learn to overcome their differences. As humans and magical creatures become friends, they discover that sometimes the greatest magic is finding a new sense of home.

*Produced by Akkord Film ("**The Elfkins**" & "**Rabbit Academy**"), with character design by Oliver Kurth ("**Monster Family**" & "**Animals United**") and animated by Seru Animation ("**The Elfkins**" & "**The Last Whale Singer**"). Based on the bestselling children's book series "Petronella Applesauce", loved by generations of young readers. APPLE CADABRA is a magical family adventure about friendship, courage and finding your place in the world, brought to life through a charming cast of unforgettable characters and a richly imaginative world.*

BRAVE HEART YAKARI

CGI | Family Entertainment | France, Belgium | approx. 80 min | 2026

One brave boy. One loyal mustang. One legendary adventure.

When his friend Buffalo-Seed falls into a deep coma after an attempt to prove his bravery, Yakari and his loyal mustang Little Thunder embark on a perilous journey across the Lakota lands to seek help from the only being capable of awakening him: the legendary giant bison Tathanka.

Yakari enjoys a peaceful life among the Lakota under the watchful eye of Great Eagle, his animal protector who gifted him the ability to speak with animals. But when his friend Buffalo-Seed is left in a deep coma after the attempt to capture a bison on his own, Yakari and Rainbow are determined to save him. They discover that his friend is watched over by a powerful animal protector of his own: the giant bison Tathanka. Only Tathanka may have the power to bring their friend back to life, but the animal protector refuses to appear. To find him, Yakari must embark on his most dangerous adventure yet and uncover a secret that could change the destiny of his tribe forever.

*From the producers of "**The Garfield Show**", "**The Smurfs**", "**Asterix & Cleopatra**".*

*BRAVE HEART YAKARI brings the beloved international brand (**more than 5 million comic copies sold worldwide**) back to the big screen in an epic new adventure. It had been adapted into multiple feature films, TV productions and bestselling audio dramas.*

For over four decades, Yakari has captivated generations of children and families around the world with its unique blend of adventure, friendship and respect for nature. Yakari is a humanist saga of a rare richness, and its values still resonate today like the distant echo of a lost paradise.

HUI BOO - AND THE CURSE OF THE GENIES

CGI | Family Entertainment | Germany | approx. 85 min | 2027

When a genie from the Land of a Thousand and One Nights meets a legendary castle ghost, magic is bound to happen!

When the most lovably chaotic ghost Hui Boo is tasked with breaking an ancient curse and rescuing a princess from the world of the Arabian Nights, he embarks on the greatest adventure of his afterlife and stumbles into something more powerful than any magic he has ever known.

Hui Boo is many things: dramatic, well-meaning, and spectacularly bad at haunting. But when the chaotic genie Amira declares him the chosen one destined to break an ancient curse, his afterlife is turned upside down. To save Princess Rashara and her enchanted kingdom, Hui Boo embarks on a magical adventure to the Land of the Thousand and One Nights filled with ghost ships, flying carpets, mummies and other mysterious creatures and unexpected discoveries. As Hui Boo stumbles toward heroism, he discovers courage, purpose and an unexpected emotional bond — proving that sometimes the strongest magic is the one you never see coming.

*Written and directed by Sebastian Niemann, creator of the Original Hui Boo films, together with co-director Dirk Ahner. Character Design by Peter Oedekoven (“**Tafiti**”, “**Pets United**”). Produced by Rat Pack (“Momo“, “Jim Button”) in co-production with herbX film (“Balloon“, “Wickie“), Westside and Constantin Film (“The Physician“, “September 5“). THE AMAZING MAURICE - THE WATERS OF LIFE

CGI | Family Entertainment | UK, Germany | 86 min | 2027

One amazing cat. One legendary quest. A sea of trouble!

Maurice, the self-proclaimed "most amazing cat in the world", is back alongside Malicia, Keith, Peaches and the Clan Rats for a thrilling new adventure filled with pirates, vampires, werewolves, sirens and a perilous quest for the legendary Waters of Life.

Life has become a little too cosy, so Maurice decides to run away, hoping to find a new life at sea as a ship's cat. When Malicia's father, the Mayor, falls seriously ill, Malicia discovers that only the Waters of Life can save him. She and Peaches set out to find them, stowing away on a barge that transforms into The Lorelei, a pirate ship where they find Maurice aboard and which is commanded by the power-hungry Admiral Katz. Meanwhile, Maurice has his sights set on Katz's position, while Keith, Darktan and Dangerous Beans race to catch up — encountering a host of unexpected dangers along the way.

*Based on Sir Terry Pratchett's beloved Discworld novels, which have **sold more than 100 million copies** in 37 languages worldwide. The first Maurice film grossed over **US$24 million at the global box office**, won multiple awards including a British Animation Award, and was nominated for the European Film Awards while also being longlisted for both the BAFTA Film Awards and the Academy Awards. MIMI & HAROLD - OUT OF FRAME

CGI | Family Entertainment | Germany | 85 min | 2028

A visually groundbreaking family adventure that brings iconic works of art by Vincent van Gogh, Franz Marc and other masters to life.

Lost in the real world after falling out of a painting, the scrappy crossbreed dog Mimi embarks on a colorful adventure through paintings to find her beloved owner, joined by an unlikely friend: the art-loving and snobbish dog Harold.

When Mimi, a brave scruffy dog, is suddenly torn from her world and separated from her owner Evi, she finds herself lost in the real world of a museum. There she meets Harold, an art-loving dog who becomes her companion. Travelling together through their greatest adventure and the dizzying history of painting, from Da Vinci to Kandinsky, the doggy duo will need to be brave and clever in their race against time, as the artworks around them begin to disappear. Only Harold, with his fine knowledge about art, can guide her through the masterpieces of the past, to find Evi and her true place in art history.

*Directed by Toby Genkel (**"The Amazing Maurice"** and **Paul McCartney's "High in the Clouds"**). Character design is by Michael Hülse (**"Ooops! Noah is Gone..."**, **"Amazing Maurice"**). Small rabbit. Big superhero dreams. One impossible heist!

A fast-talking rabbit with everything to lose must pull off an impossible heist and find the hero within.

Skip is convinced he is destined to be a superhero. The only problem: he has no superpowers. Along with Fred, a cockroach with more loyalty than sense, Skip is trapped working for Walzer, a ruthless white rat whose criminal empire runs like clockwork. When Walzer's loyal lieutenant, the weasel Flink threatens to demolish an orphanage run by rabbit Rachel, Skip finally sees his chance to prove himself. Joined by his loyal friend Fred, he dives headfirst into a whirlwind of heists, betrayals and unlikely alliances, discovering that true heroism has nothing to do with superpowers and everything to do with courage.

*The production is led by Ulysses Films, one of the best-known European producers, behind "**The Amazing Maurice**" and "**Niko - The Reindeer**" **Franchise**. The animation is handled by Studio Rakete ("**The Amazing Maurice**", "**Stitch Head**"). Based on the true tale of the world's most favourite sea monster in Loch Ness.

Returning to Loch Ness in search of his family's past, young Finn joins forces with Kellina, a fearless teenager, to unravel an ancient mystery hidden beneath the Scottish Highlands.

On the surface, Loch Ness has become a bustling tourist destination overlooked by the ruins of the ancient Urquhart Castle. Local showman Mylo - Kellina's father - runs a ramshackle monster-themed attraction, claiming he once encountered the real creature. His sceptical daughter doesn't believe in his tales of monsters or myths... until she meets Finn. What follows is a thrilling, heart-warming adventure filled with humour, danger and wonder, as two worlds collide and a legendary friendship is born.

*Directed by Stephen Donnelly (the Netflix original "**Scrooge - A Christmas Carol**"). Character design is by Peter Oedekoven ("**Stitch Head**", "**Grand Prix of Europe**", "**Tafiti**"). MOMO

Live-Action | Family Entertainment | Germany | 92 min

They steal your time. She'll fight to give it back.

When a mysterious group of time-thieves begins stealing the time of everyone in the city, a fearless orphan girl named Momo must fight to save her friends and restore the one thing no one can live without: time itself.

Momo, a spirited young orphan, lives in the ruins of an ancient Roman amphitheatre and has a rare gift: she truly listens to people. Happiest when spending time with her best friend Gino, she sees her world fall apart when a powerful corporation begins stealing everyone's time. Suddenly, no one has time for friends, family or the things that make life meaningful. When a mysterious tortoise leads Momo to Master Hora, the guardian of time, she discovers that she may be the only one who can stand up to the sinister time-thieves. With courage, compassion and the help of unexpected allies, Momo embarks on a thrilling race against time to save her friends and give the world its time back.

I SPY WITH MY LITTLE EYE

Feature | Drama | Germany | 95 min | 2026

Recommended as "a standout" by THE NEW YORK TIMES.

Three summer, three decades and three friends - and each of them standing at a crossroad in life. When Solveigh dies shortly afterwards, Yalda and Lou are left to navigate the fallout: unresolved tensions, diverging memories, and the unexpected responsibility of caring for Solveigh's young daughter.

As they sort through her apartment, past and present blur, revealing how shared experiences can hide very different truths. A restrained, humane film about friendship under pressure, overlooked wounds, and the fragile hope of shaping a future after loss. I SPY WITH MY LITTLE EYE is a tender, emotionally resonant drama about female friendship, the echoes of loss and the resilience it takes to hold on to one another against all odds.

*Based on a true story and written by Judith Rose Gyabaah, the film is shot by cinematographer Meret Madoerin and marks Kolosova's first feature-length work, introducing a compelling new voice in contemporary German cinema. Starring Saskia Rosendahl (European Shooting Star, "**Lore**", "**Never Look Away**"), Svenja Jung ("**Fall For Me**", "**Baghead**") and Soma Pysall (Winner New Faces Award 2021), the ensemble also includes Meret Becker known for "**Munich**", "**Fabian: Going to the Dogs**", "**Babylon Berlin**". The creative team is predominantly female and includes key women in most of the major department heads.*
